## *About the Sale Cattle*

59 LOTS

- 1 - 3 year old herd bull.  
N-Bar Champion 16th by Lakeside Champion 4th.  
All cows in the Silverling herd will be bred to him.  
His first crop of calves proved him a breeding bull.
- 1 - coming two year old bull.  
Observer by Marellbar Formation.  
Has been used on heifers in the Reser herd. He will be shown at the Pacific International Exposition.
- 4 - short 2 year old bulls.  
These are good strong bulls in good condition.  
They will be ready for heavy service next spring.
- 3 - 1954 bull calves.  
Two of these are real show prospects.
- 16 - bred cows.  
This is not an ordinary herd of shorthorns. They are a top set of cows by such bulls as Marellbar Formation, Killearn Monarch 101st, Supreme of Merryvale, Cluny Royal Souvenir, Ed-Ru Command, Edellyn Royal Leader, Klaymor Foot Print, and Calrossie Outlook. They are backed by the most popular bloodlines and selected as foundation females. They are in good flesh, none over 8 years old.
- 7 - cows with calf at side.
- 15 - bred heifers.
- 5 - open heifers.
- 6 - 1954 spring heifers.  
9 by Marellbar Formation, sire of champions.  
9 by Beaufort Bog Oak, sire of the 1953 P. I. Jr. Gr. Champion female, Reserve Jr. Champion bulls, get of sire and junior get of sire.  
6 by Sky View First Mate, a purchased in dam son of imported Chapelton Galleon, used in the Silverling herd.  
6 by N-Bar Champion 16th, half brother of International Champion N-Bar Prince. His first crop of calves sell in this sale.

*Statement from Sale Manager*

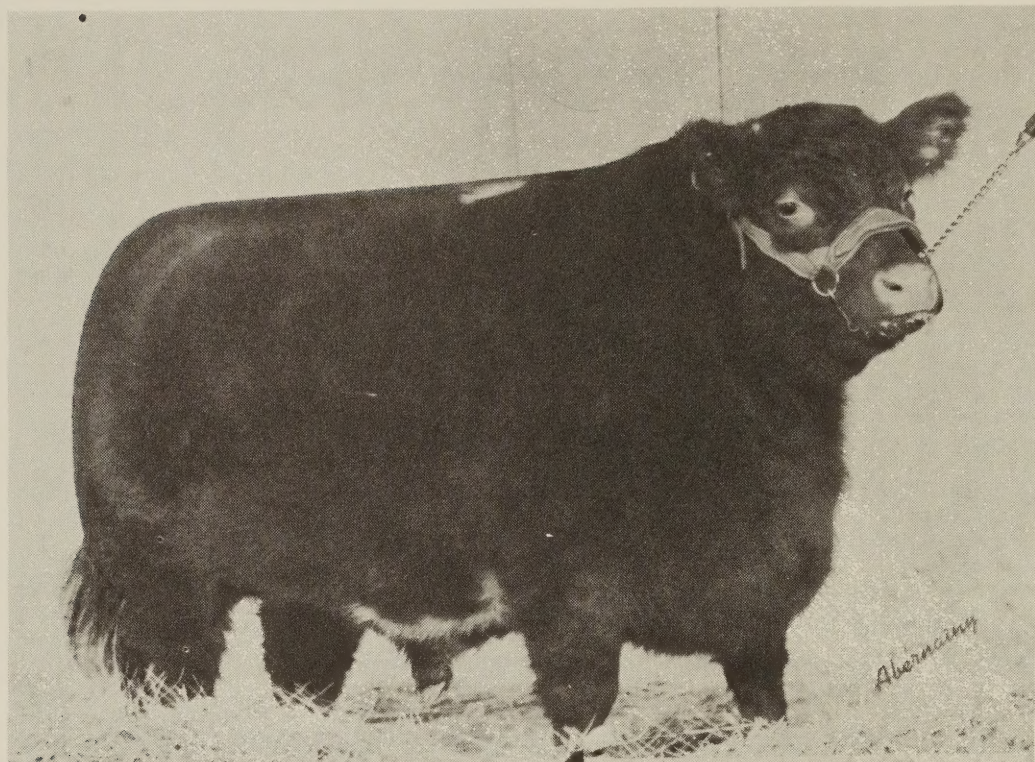

In my experience as manager of Short-horn sales in the Inland Empire the past eight years I have never had the pleasure of offering a more select group than those available to you in this sale. Every lot will stand on it's own merits as an individual, every pedigree is rich in the most popular shorthorn bloodlines.

All the cattle are in strong flesh. I urge you if possible to inspect them at your leisure, anytime prior to the assembly for the sale, in the pastures of their owners. The farms are just six miles apart.

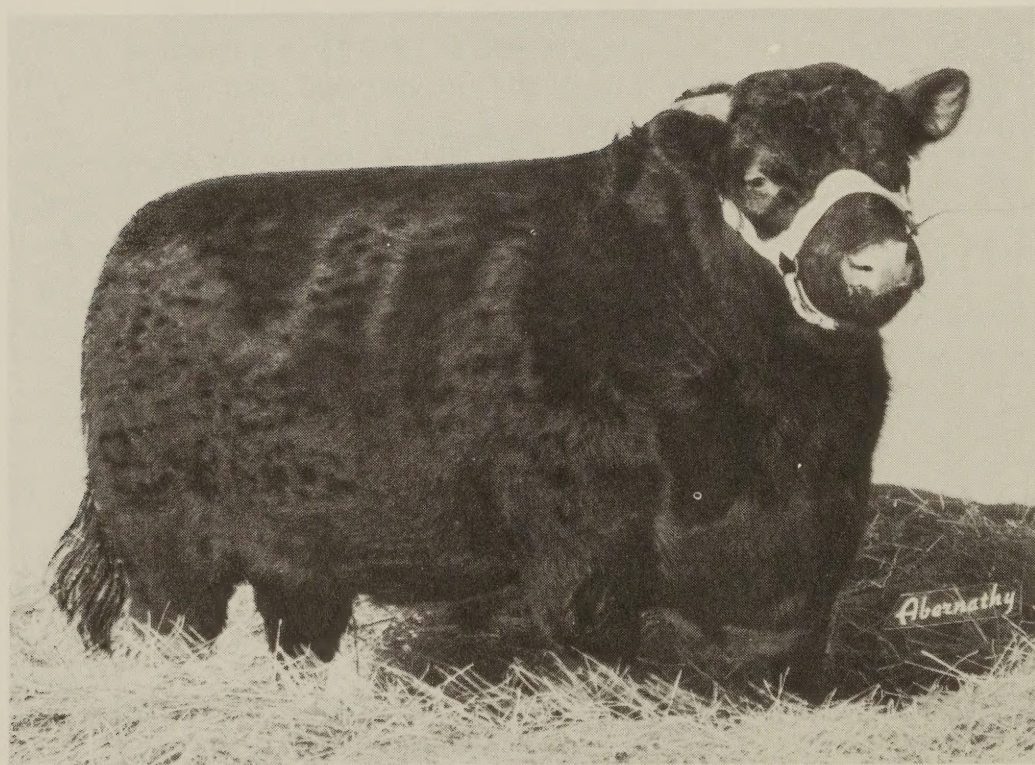

John Siverling,  
Sales Manager.

*B. D. Reser & Sons Reduction*

With the purchase of the entire Fair Meadows herd the Resers are forced to reduce numbers. These are by no means the culls from the herd. Some of the young stock offered will be in the fall shows. The crop of heifers offered are of the quality to be found in the best of auction sales. The one bull from this group is one of the top sons of Marellbar Formation.

ROSEWOOD 18TH - A full sister to the grand-champion female of the 1954, Inland Empire Spring sale. Half sister to the grand-champion steer at Portland in 1953. This Marellbar Formation heifer sells open.

# REDUCTION SALE

*L. A. Siverling Dispersion*

This herd was started seven years ago and carefully built with the thought in mind to become one of the Inland Empire's finest. No showing has been done and none offered for sale up to the present time. A limited access highway cut diagonally thru the place making it unpractical for cattle raising has forced the decision to abandon this fine herd.
